Murdoch University

Ngala kwop biddi. Building a brighter future, together.

17 Traits of High-Performing Employees

- 1. They don't just set goals, they create systems to achieve them.
- 2. They prefer action, starting quickly and without perfect information.
- **3.** They communicate clearly and concisely.
- **4.** They're never late, and often early.
- They break big tasks down into smaller steps.
- They aren't afraid to ask questions and admit they don't know.
- They follow through on commitments without reminders.
- **8.** They block time for deep, focused work.

- **9.** They never bring a problem without also bringing a solution.
- **10.** They seek feedback from peers and leaders frequently.
- 11. They listen actively and with an open mind.
- **12.** They take responsibility for mistakes immediately.
- **13.** They invest in continuous learning constantly.
- **14.** They stay calm and positive, even in tough situations.
- **15.** They don't get distracted by non-essential tasks, saying no often.
- **16.** They adapt quickly when circumstances change.
- 17. They're kind.
